***Analysis by the Legislative Reference Bureau***

Under current law, the Department of Health and Family Services (DHFS) maintains three state centers for persons with developmental disabilities.

This bill requires DHFS, by July 1, 2004, to terminate all services at the Central Center for the Developmentally Disabled, other than certain alternative services, to sell or transfer all tangible personal property, and to sell all real property, other than that used to provide alternative services, of the Central Center for the Developmentally Disabled. By January 1, 2004, DHFS must submit to the joint committee on finance a proposal for the termination of the services, the transfer of residents of the Central Center for the Developmentally Disabled, the transfer or sale of tangible personal property and real property, and the termination or transfer of employee positions. If the cochairpersons of the joint committee on finance do not notify the secretary of health and family services within 14 working days after receiving the proposal that the cochairpersons have scheduled a meeting to review the request, DHFS must implement the proposal. If, within 24 working days after receiving the proposal, the cochairpersons notify the secretary that the cochairpersons have scheduled a meeting for the purpose of reviewing the proposal, the proposal may be implemented only as approved by the joint committee on
